Course Description

This is the FIRST course of a three-part beginning series at the University of Florida. The course covers chapters 1-14 of *Wheelock's Latin* and aims to introduce students to basic vocabulary, grammar, and syntax of the Latin language. To do this, students will practice translation between both Latin to English and English to Latin. Students will leave this class prepared to succeed in Latin 2.

Course Objectives

Students will learn the inflectional patterns of the Latin language and be able to easily recognize different forms of declensions and conjugations. Students will also acquire, from the beginning, a rich vocabulary, which will constitute an introduction to Roman culture, as well as an aid in memorization and familiarization with the grammatical structures of the Latin language.

Activities

1. written exercises both in class and assigned as homework
2. oral drills and recitation for proper pronunciation
3. quizzes and final exam

Required Textbooks and Software

- Wheelock, Frederick M. and R. A. LaFleur, *Wheelock's Latin*. 2011. ISBN-10: 0061997226
- a notebook for daily use in class and homework

Policies

Attendance: Perfect attendance is expected. For every unexcused absent over three (3), you will lose a point from the final course grade.

For absence due to participation in an official university activity, observance of a religious holiday, performance of a military duty, or any other conflict (e.g., jury duty), as per the university policy that the student knows about it in advance of the scheduled assignment, the student is required to notify the instructor of the conflict BEFORE the assignment is due, and if possible at the start of the semester. *The sooner you inform of an expected absence, the easier it is to handle the situation smoothly.* Requirements for class attendance and make-up exams, assignments, and other work in this course are consistent with university policies that can be found at <https://catalog.ufl.edu/UGRD/academic-regulations/attendance-policies/>.

Make-Up Policy: There will be no makeup work (quiz/homework/test) unless appropriate documentation is provided. Homework which is found to be incomplete will not be graded, and late work will not be accepted unless appropriate documentation is provided. You may receive an extension on an assignment only in extraordinary circumstances and only if the request for the extension is prompt, timely, and accompanied by all necessary written documentation.

Common Courtesy: Cell phones and other handheld electronic devices are *not* permitted during class time. Students who make calls or text messages during class will be asked to leave and marked absent for the day. Laptops used for taking notes will be permitted based solely on continued appropriate use. The majority of course work and materials will be posted to Canvas as well.

Classroom Accommodation: Students with disabilities requesting accommodations should first register with the Disability Resource Center [phone (352) 392-8565 or website www.dso.ufl.edu/drc/] by providing appropriate documentation. Once registered, students will receive an accommodation letter which must be presented to the instructor when requesting accommodation. *Students with disabilities should follow this procedure as early as possible in the semester.*

Course Evaluation: Students are expected to provide professional and respectful feedback on the quality of instruction in this course by completing course evaluations online via GatorEvals. Guidance on how to give feedback in a professional and respectful manner is available at <https://gatorevals.ua.ufl.edu/students/>. Students will be notified when the evaluation period opens and can complete evaluations through the e-mail they receive from GatorEvals in their Canvas course menu under GatorEvals or via <https://ufl.bluera.com/ufl/>. Summaries of course evaluation results are available to students at <https://gatorevals.ua.ufl.edu/public-results/>.

University Honesty Policy: UF students are bound by The Honor Pledge which states: “We, the members of the University of Florida community, pledge to hold ourselves and our peers to the highest standards of honor and integrity by abiding by the Honor Code. On all work submitted for credit by students at the University of Florida, the following pledge is either required or implied: ‘On my honor, I have neither given nor received unauthorized aid in doing this assignment.’” The Honor Code (<https://www.dso.ufl.edu/sccr/process/student-conduct-honor-code/>) specifies a number of behaviors that are in violation of this code and the possible sanctions. Furthermore, you are obligated to report any condition that facilitates academic misconduct to appropriate personnel. If you have any questions or concerns, please consult with the instructor or TAs in this class.
